506 SALES HELP WANTED

SALES POSITION AVAILABLE

We have enjoyed tremendous sales growth in 2009. We did this with great people, tremendous product and unique marketing plans.

Our plans are for even more growth in 2010 and we need more great people to do it. If you are looking for a financially rewarding career that's fun and challenging then we invite you to see us.

You must be willing to work long hours including some evenings and most Saturdays. We are looking for confident people that have an outgoing personality and a sales aptitude.

We offer a supportive and patient environment with extensive training designed for success and customer satisfaction. We will offer you a draw against commission, a generous commission plan, benefits package, pension plan and a demonstrator plan to qualified candidates.

We are proud of a low staff turnover and we will be looking for people who are serious about a career in Automotive Sales.

Please submit your resume for a preliminary interview.
Our email address is sales@blackstockford.com

Blackstock Ford Lincoln Orangeville
Hwy. 9 East
Orangeville

508 CAREERS

Manager, Contracts, Energy & Environmental Services

You will be responsible for the implementation and maintenance of the Board's Energy & Environmental Programs and Initiatives and contracts associated with maintaining the facilities. You will develop, implement, and maintain the Board's Energy Management Plan, supervise project managers and technical staff, and oversee environmental programs, ensuring compliance with authorities. Working with Operations personnel, you will maintain buildings and equipment focusing on energy conservation and will develop new incentive programs for schools to encourage and reinforce a sound environmental outlook and behaviour to reduce costs. In addition, you will create and manage our Energy Retrofit Program, analyze products and procedures to determine efficacy for retrofit paybacks and specification changes, and design and/or approve site changes, special areas, tree planting programs and advise on best practices required actions, liability issues and municipal/community standards.

You are a Mechanical Engineer or Mechanical Technologist with a minimum 10 years' progressive management experience and 3 years of successful experience managing projects, including the supervision of staff, planning, scheduling, and budgeting. You have strong analytical and computer skills, excellent communication skills and interpersonal skills, and must possess a valid Ontario Driver's Licence and have access to a reliable vehicle.

Join an educational environment that fosters personal and professional growth. Please apply by e-mail, in PDF format, quoting **Job Code #10AE02**, to **ae.jobs@ugdsb.on.ca**, by **4:00 p.m., April 28, 2010**

www.ugdsb.on.ca

Upper Grand District School Board

Please note that the successful candidate will be required to provide an original Criminal Record Check prior to the commencement of employment. The CRC must be dated within six months of the date of acceptance of employment. We thank all applicants for their interest and wish to advise that only those selected for an interview will be contacted. We are an equal opportunity employer.

High Expectations Promote Higher Achievement.
