game gave the guys a chance to get back onto a positive note after the loss to Palmerston.
"We dropped that one 5-2 (against Palmerston). It was pretty well our biggest game of the year. Once again we took some stupid penalties off the hop. Nine minutes on the power-play (Palmerston), we were behind and never caught up." Against Nottawasaga though it wasn't the 20 goals for that was the story but the "nothing at the other end"

A large part of that could possibly be attributed to two old faces returning to patrol the Muskie blueline, Matt Lougheed and the previously mentioned Greg Patton.
Patton, who was undecided on returning at the end of last season, has been watching the team from the sidelines.
After watching the boys battle it out night to night, he finally had to lace up the skates to see "if I still had anything left to give". He is optimistic about

the team's chances, noting that this is a good team. "The talent level is definitely up there. The players they brought in during the off season mixed with those that have been here the last three or four years. It's a great group of guys with a really good skill level".
This weekend ahead finds the Fish taking it to the road. Friday night its off to Shallow Lake, where they go up against the Crushers, followed by a trip to Walkerton on Saturday to meet the

Capitals, for the second time this season, in a game that was postponed due to weather in December.

ORANGEVILLE JR A Northmen wrapped their stellar season with the 2008 Awards Banquet at the Best Western Hotel. Mat McLeod was the big winner this year taking home the prestigious Northmen of the Year Award. In recognition of their dedication and contributions to the team, this years graduating players were also recognized at the event. This years graduates include from left to right; Garrett Kerr, Jeff Ivey, Stephen Keogh, Matt McNutt and D.J.Clevely.

Tykes host on home ice

The Sunvale Homes Shelburne Wolves Tyke LL#3 team participated in a tournament this past weekend in Shelburne.
In their first game against Thornton, it was

an evenly matched game, which ended in a 6-5 loss. Goal scorers were Rylan Webster and Jarrod Beteau and assists were recorded by Ryan Higginson, Kersten-Mary

Skilton and Hailey Hoskins.

Three players were given the opportunity throughout the day to take a turn in net.
Sheldon Holmes, Kersten-Mary Skilton and Rylan Webster each served duty between the pipes and appreciated the opportunity to develop their skills.

They also played games against Barrie Colts House League and Shelburne Wolves Tyke LL#2.

Rylan Webster earned the MVP award, as determined by the opposition in the "D" final matchup.

All players are to be commended on their sportsmanship and hard

work.
The Little Country Pre-School/Shelburne Rotary Club Mites team took to the ice in Grand Valley and skated hard to a 4-4 tie.

Goal scorers were Nolan Evason, and Ben Nicholson who earned his first hat trick.

On Sunday, they played at home against Durham. Despite quickly being down by 5 goals, they fought hard to a 16-11 loss. Owen Holliday netted 5 goals, while Nolan Evason and Keegan Prins both scored a pair of goals.

Wolves howl

a two goal lead off a nice rush down the left wing, Frankie Spagnolo and Kelly Hu Dong each picking up assists.

The Wolves pushed the lead to three when Hu Dong scored off of a Jason Armstrong rebound with James Mastine also picking up an assist. The Wolves kept pressing and were rewarded when Spagnolo scored from the right post, a spot he made famous long before John Tavares came along. Myers and Josh Sibley who had a particularly strong game for the Wolves picked up the assists.

Much like their beloved Maple Leafs however the Wolves couldn't seem to handle too much of a good thing and the Dragons stormed back with five of their own to open the second period to take the lead.

Fernandes tied it up quickly with his second of the game with Moore and Wolves rookie Bill Wyatt drawing the assists. Thomas then put the Wolves back out front with a hard shot from just inside

the blue line from Myers and Masitne.

The teams would then continue to trade goals for the remainder of the game. Fernandes scored the final two goals for the Wolves for four on the game with Wyatt picking up two assists. Wolves rookie Bradley Thompson playing in his first tournament was strong for the team all weekend and picked up an assist on the last Fernandes goal. Thompson also made a memorable defensive play for the Wolves late in the game to preserve the tie.

Grist and Adam Thompson shared the duties between the pipes for Orangeville and both had strong games.

The Wolves next home game is Sunday, January 25th at 12:30 at the Green Rink vs. Kitchener. The team is currently fundraising for a trip to Kelowna during March break to play the only special team in Western Canada. If you would like more information on the Wolves please call Dan Stone at (519)941-3762 or Doug Harkness at (519)843-4710.
