Adopt-A-Pet

Hi my name is SPIKE and I am an adult Pot Belly Pig. Sadly my past was somewhat dismal because my previous owner failed to properly care for me. Hopefully though, my future will be bright. Fortunately the Shelter staff have been working with me, getting me back to a healthy weight and helping me to overcome my insecurities. I'm not being housed in the general viewing area of the Shelter, so if you have a farm and you think you are interested in having me for a pet, please ask a staff member to escort you to my viewing area.
