

Novice AA Flyers sweep Oakville in three

After losing two games late in the season to Oakville, the Southwood Graphics Novice AA Flyers were expecting a tough five game series against the Rangers.

What they got Wednesday night in Orangeville was an unexpected 10-2 rout of Oakville in the first game of the series.

The Rangers opened the scoring at the 7:30 mark of a tight first

period, but the Flyers would score seven unanswered goals to build a 7-1 lead late in the third.

Oakville scored with 3:25 remaining in the game before Orangeville continued their dominance and added three more before the final buzzer.

Brendan Chapman led all scorers with six points and Ryan Boon added four points. Ryan Bowie and Owen

Robinson picked up three points a piece while Evan Moore and Dakota Zarudny notched two each. Tristan Williams and Elgin Cooke rounded out the scoring with a point each. With regular goalie Liam McIlwraith out with an upper body medical condition, Novice AE goalie Mason Kameka stepped in and had an incredible game, especially in the first period, shutting down the Ranger offence.

Saturday night the series shifted to Oakville for game two and the Flyers wanted to keep their momentum going to get off to a good start.

Orangeville did just that, opening up a 2-0 lead 3:37 into the game. The Rangers bounced back with some good pressure and were rewarded with three straight second period goals to take their first lead of the series.

The Flyers would regain control of the game and tie it up with 35 seconds left in the middle period.

Orangeville turned up the forechecking and add three more goals in the third to take a 6-3 victory.

Robinson, Boon and Chapman scored two points a piece and Kyle Whitton, Williams, Zarudny and Bowie

chipped in with a point each.

Kameka and McIlwraith split the goaltending duties to share the win.

The Flyers were hoping to wrap the series up with game three in Orangeville on Monday night, but Oakville was ready and brought their best game of the series.

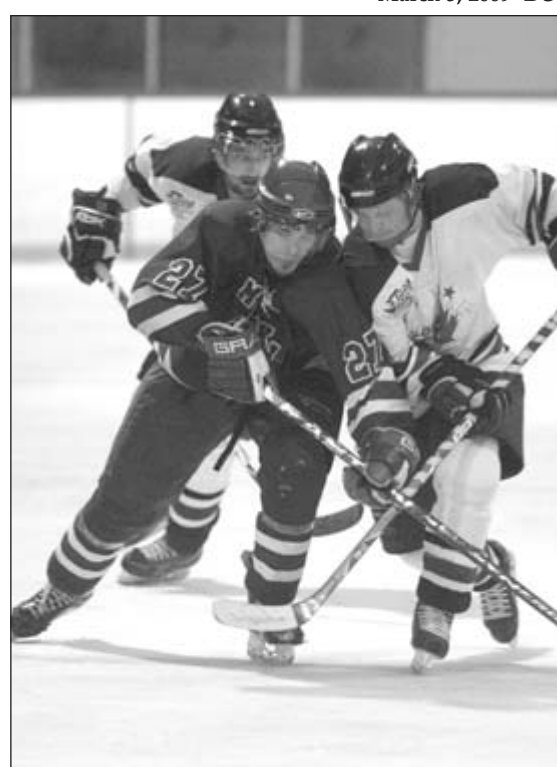

Orangeville scored at the midway point of the first period, but the Rangers opened up and started creating more scoring chances and ended up scoring the tying goal in the last minute of the first.

The Flyers regained their one goal lead with a goal with just 34 seconds left in the middle

period. Orangeville would get a much needed insurance goal with 2:04 left in the game and hang on to preserve a 3-1 and win the best of five series 3-0.

Chapman led the way with two points and Justin Stairs, Cooke and Boon collected a point each. McIlwraith play a very controlled game and made some outstanding saves to pick up the victory.

The Southwood Graphics Flyers will now move onto the OMHA Central finals against the winner of the Tottenham-New Tecumseth/Richmond Hill series. TNT currently leads the 8 point series 7-3.

Crushers take series in seven

Continued from pg B1 six, Orangeville coach Dale Hawerchuk knew his team had what it took to win but, more important than that, was that his players knew they could win as well.

With that confidence and determination, they took to the ice in Rama on Tuesday evening.

Both squads knew the stakes were high and the importance of getting the first goal. It was Couchiching that scored that goal when Matt Smyth put one just under the cross bar at 10:11 of the first, bringing the capacity crowd to their feet.

Orangeville's Robert Visca had probably the

best opportunity to even the score moments later, pulling the puck out of a scramble in front of Couchiching's net, only to shoot it just wide of the open net.

Both teams would have their chances after that but both Crushers Andy Groulx and Couchiching's Kyle Cantlon were more than up to the challenge turning away shot after shot at each end.

Like a dog with a bone, the Terriers hung onto that lead for almost 40 minutes until midway through the third, when Kyle Manduck broke down the right wing, tucking one to the short side and setting the stage for sudden death

overtime.

With all their chips on the table, each team came out in O-T looking for that extra little edge. Unfortunately for Couchiching, it was Orangeville finding that edge first when Nicholas Vassos feed a pass deep to Visca who made no mistake this time; popping one past Cantlon to give Orangeville the win. "I was lucky you know", said Visca speaking after the game, "I was backdoor to the goalie, I slid over a little bit, went to my backhand, it all worked out".

For Hawerchuk it was the perfect ending to "a hell of a series". He said that either team could have taken it, both teams

played hard and "Everyone had a chance every night."

The going won't be much easier when they take on their next opponent, the Huntsville Otters who defeated Aurora 4-2 to take their series in six.

Muskies up 2-0

Continued from B1 between the Shelburne pipes, shutting down the Elora shooters through the final 20 minutes while Bill Boyes and Greer added singles to seal off the score sheet with the second 6-3 win in as many games to give them a commanding series lead.

Action continues between the two teams this weekend. Friday night is game three of the best of seven series back in Elora. Should the Fish win Friday, they can wrap it up Sunday night back at the CDRC before the hometown crowd where the game is scheduled to start at 7 p.m.
