Buick has tied in Ranking for Highest in Vehicle Dependability

Buick and Jaguar each rank highest in vehicle dependability in a tie, according to the J.D. Power and Associates 2009 Vehicle Dependability Study™ (VDS). Buick improves from a sixth-place ranking in 2008. "Buick has ranked among the top 10 nameplates each year since the study was last redesigned in 2003," said David Sargent, Vice-President of Automotive Research at J.D. Power and Associates.
