ORANGEVILLE JUNIOR A Northmen improved their 2009 season record to 8-1 with a 10-6 decision over Toronto Beaches on Monday night. The win came on the heels of a 19-3 romp over the Mississauga Tomahawks the night before.

Athletics off to near perfect start for 2009 season

The Orangeville Athletics sponsored by Allto Construction Services Ltd., find themselves in first place of the YRSL Premier Division after four games into the 2009 season. A great start to the season which has seen them win three games and tie one.

More amazing is the fact that during those four games they have not allowed a goal. Four clean sheets for David Price, the 2009 starting goalkeeper.

A lot of credit should also go to their veteran defensive back four led by Peter Kirchberger and Craig Howie who have been rock solid in the middle of the pitch.

Some key changes to the club during the off season have helped the Athletics get off to this dream start. Twelve weeks of indoor training with Steve Payne, a local professional soccer coach who holds his UEFA coaching certificate.

Twenty four weeks of competitive indoor games at Brampton's Central West Indoor League where the Athletics won the winter session championship.

A new head coach in David Lewars and with that a new direction to lead the team. All of these club objectives initiated by Club Manager Keith Robbins have led to the Athletics turning the corner this season and looking very optimistically at a successful 2009 season.

The Athletics have started the 2009 season off with a win against Aurora at home (1-0), a draw against Orillia (0-0) on the road, a win against Bradford at home (2-0) and most recently a win a home against Thornhill (1-0).

Orangeville Athletics 1 Thornhill Juventus 0

At the start of this game it was Thornhill who looked to be moving the ball through out the midfield with relative ease.

They showed a lot of speed up front and on two separate occasions saw themselves in on the goal all alone only to be denied by David Price with two fabulous break-away saves.

The Athletics experienced their own chances off the transition with balls being sent up field to Giulio Baldassarra who would collect and send on for the speedy Chris Vandenhoeft up front. Both strikers looked very aggressive and hungry to give the Athletics the lead.

The Athletics would get that lead ten minutes into the second half when Baldassarra crushed a long range shot that just dipped under the cross bar fooling the Thornhill goalie.

For the last fifteen minutes of the game, Thornhill tried to equalize the game up as they pushed forward but the Athletic defense was up for the challenge. Thornhills best chance

came off a scramble in front of the net when a shot made it through a maze of players but Price was quick to collect the ball and move it up the field and out of danger. The Athletics hung on to there 1-0 lead for the victory.

The Athletics next game will be on Thursday night in Owen Sound and then they will return home to Rotary Park to face McNicholl Park FC on Thursday June 18th (kickoff at 8:45pm).

Tragantis Cup

The Athletics and the United team (sponsored by Shoeless Joe's Restaurant) were both in action on Sunday afternoon for there opening round Tragantis Cup matches. The Athletics were in Innisfil where they won 4-3 on goals from Baldassarra, Vandenhoeft and a dou-

Outlaws offence impressive

From page B1

halftime lead.

Craig led the way in the first half with three majors. The offense line led by Andrew Gerold and Tyler Kirkpatrick opened up huge running lanes for the backs and constantly offered great pass protection to Hogenhout, who was able to augment the running game with key passes to Jamal Kett, Tyler Kent and Tanner Publow.

The second half offered more of the same as the Outlaw run-

ning attack continued to give the Eagle defence fits. Craig capped his day off with two more majors on the ground (5 in total) before being replaced by his brother Tyler Craig who also ran one in from 65 yards out.

Orangeville scoring was completed on a great touchdown pass from Hogenhout to Kent to make the final score 47-13.

As has been the case all year, the Outlaw defence stifled the Eagles offence constantly and very solid performances were turned in by Peter DiSalvo, Todd Smith, Connor Malone and Nick Chamberland. The defence constantly put pressure the Eagles QB and forced two interceptions in the process.

Working better each week as a unit, the 'D' line only looks to be getting stronger every game.

The Outlaws have a bye week (June 14) and return back to Westside field on June 21 in a rematch with the Eagles

Northmen B over Elora

their assault at the other end of the rink.

Duncan Shaw got the ball rolling, taking advantage of the extra attacker on a delayed penalty call, before Stoner, Thompson, Steven Rogers and Caravello added their own to the tally.

Off the top of two, the Northmen kept up the pace with Kyle Kallay scoring, followed by Collins' first and Caravello's second to make it 8-1 before Elora could again find the range.

Collins added another to wrap up the scoring for Orangeville with 2:58 remaining in the second. Elora kept things interesting with one more in the second and a pair in the third but that was all the offence they could muster with Rydall shutting down the Mohawk shooters to earn the Northmen a 9-5 win.

Action returns to the Tony Rose on Monday with the second of two games remaining against the Guelph Regals (first played Wednesday June 10, results unavailable at press time) before wrapping up the regular season in Elora on Sunday June 21.

Kings

to drop their afternoon game by a score of 6-1 to the Mitchell Jr. Chiefs.

Fastball action returns to Idlewyld Park next Tuesday evening when Rockwood makes their way to town for a 9 p.m. start against the Kings.

Strawberry Festival

From page B1

dragged by horses on sleighs to its present position in Hockley Village in the winter of 1888, where it was re-erected.

Beside it is the Hockley Seniors and Community Centre, the original Orange Lodge, as it was constructed by the "Hockley Loyal Orange Lodge" in 1892. The centre is now used for functions, groups, meetings and entertainments. For the Strawberry Festival, the United Church hosts a pancake breakfast. A fundraiser for the church, it gets the day off to a traditional country start.

In addition, there are several houses, including the old school house - now a private home - which date back well into the 1800's.

For the most part, their owners have worked to maintain and keep the houses in their original appearances.

A visit to Hockley Village at any time is worth the 10- or 15-minute drive from Orangeville but the people of the village hope that those who know and love the village and those who have never visited it will come to the Strawberry Festival Saturday, June 20.

There are games and things to do for the children, beginning with the Great Bicycle Parade starting at 10:00 a.m. Prizes for all the children and a prize for the best decorated bike! This is not a race - it is a parade, which will be led by a beautifully restored Model T Ford.

There are two silent auctions: one for the church and the other for the Village park, created for the young people in the village to play foot ball, ride their bikes and so forth.

And there will be local strawberries.

Vendors and groups are welcomed to set up for the day. Call Carl Luttrell for details: 519-941-6439.

And the first of those games happened on Monday night when the Mohawks came to town.

Elora would be first on the board when Kyle Goss tucked one past Rydall at 4:28 of the opening frame but it would not be long until Orangeville stepped up

Instrumental Music Program

Part 1 Beginner
Part 2 Intermediate

Tuesday Sept. 22, 2009 to Tuesday Apr. 13, 2010

Orangeville District Secondary School

NOTICE OF PESTICIDE USE

From June 22 to September 30, 2009 the Ontario Ministry of Transportation (MTO) will conduct a larviciding program under the authority of the Local Medical Officer of Health to control mosquito larvae in order to prevent their development into vectors of West Nile Virus. The program will be carried out along various MTO right-of-ways in the Counties of Essex, Oxford, Middlesex, Elgin, Dufferin, Wellington, Chatham-Kent, Lambton, Perth, Haldimand, Norfolk and Brant.

The larvicide methoprene (Altosid Pellets, Registration #21809 under the Pest Control Products Act, Canada) will be applied to catch basins by MTO staff licensed by the Ministry of the Environment.

For more information on locations and dates of applications, please call the MTO Contracts and Operations Office toll free at 1-800-265-6072.
