**GREAT WALL.** It was an unbeatable defensive wall the Outlaws put up on Sunday as the Orangeville JV squad shut out the TNT Express in OMFL play. The two teams will meet again in semi-final playoff action in Tottenham this weekend with the winner of that game advancing to the league final which will be played at Ivor Wynne Stadium in Hamilton on Sunday, August 2nd. **Photo/MIKE MALONEY**

## Vets face possible elimination

•From pg B1 Second period action again saw Centre Wellington strengthen their lead with a pair on either side of David Irons goal at 15:22 which would be the last time Shelburne tripped the score clock.

The Warlords added two more in the third to give them a commanding two game series lead with the 9-3 victory.

Heading into the playoffs, Shelburne coach Paul Falkiner predicted that goaltending would prove to be the deciding factor in this series and, so far, that seems to be

proving itself out. Having outshot Centre Wellington in both games, he acknowledges that the strong showing of Warlords goalie Shawn Murray is making the difference, "their goalie is stealing the game".

Despite the two losses, Falkiner does not think his team is playing that bad and notes that, even when they get behind, the team is still fighting and digging away, "We just needed goals and they didn't come".

With the season on the

line Friday night, he knows the team will come ready to play Friday night. "We are going to play hard and work hard. We are going to do everything we can to get that win and will be leaving everything on the floor."

The opening draw of game three is 8 p.m. at the Elora Community Centre. Games four and five if necessary are scheduled for 8 p.m. on Saturday at the CDRC and in Fergus Tuesday night at the same time.

## Northmen sweep series

•From pg B1 where they had left off the game before, Orangeville got out to a quick 6-0 lead on goals from Quarrie (2), Noble, Gibbons, Ivey and Teeter.

Whitby made the most of one of their few offensive chances just past the midway point of the opening frame before Teeter cancelled that with his second of three to give Orangeville a 7-1 lead heading into the second.

After reading the writing on the wall and doing what they could to contain the Northmen shooters, Whitby's Cameron Holding and Kyle Goodchild each scored

one for the Warriors in the third.

But it was just too little, too late as the men in black added seven more over the final 40 minutes to post a 14-3 final score to take the series in four.

Heading into the second round, one Northmen player many will be watching is Adam Jones. Currently leading the play-off scoring with a total of 31 points, he knows that the things will only get tougher from this point on. "Coming into the playoffs, all of us knew regardless who we play, we have got to bring our best to every game. We knew that if even wanted to go four in four
