

Noble scores in final minutes to break deadlock

Continued from B1
 assessed to either side the entire game to yet again tie the score.
 With only seconds remaining in the second, a heads up pass from Matt McMurray to Jones coming off the back door was quickly tucked under Fryer to make it 6-5 for Orangeville heading into the third.

Yet again a fast break and pressure off the draw yielded results, but this time it was Brampton's turn with Cameron Flint doing the damage on the fly to tie it up just 30 seconds into the third. And so it remained for the next fifteen minutes with tensions rising in the stifling heat as the clock wound down,

everyone knowing that it would be the team that scored next would be the winner.
 With floor conditions deteriorating, referees Bill Fox and Grant Spies gave the teams a chance for a 10-minute delay in hopes of drying up the floor with just over five minutes remaining. But both squads opted to play

on.
 And it was with 4:27 seconds left on the clock that Noble unloaded a shot in close to the crease that found a way between Fryer and the post, bringing the crowd to its feet in celebration. Not sitting on that lead, McLeod and Harnett each added one more in the final two minutes to

seal the 9-6 win and take the championship for the second year in a row with the 4-3 series win.
 For Noble it was a chance to redeem himself from a couple of games where he had struggled.
 Down playing his winning goal, Noble knew the Northmen just had to stick with it to the end

0 and knowing they already had a berth in the national championships.
 Sawyer knew his team wasn't going to let that happen and every one gave it their all over the next four games to make the miracle comeback happen.
 With the Ontario final now out of the way, the focus now turns south to Brampton who are hosting this year's Minto Cup which kicks off this Saturday. Orangeville will face Coquitlam Adanacs in their first game at 5 p.m. on Saturday followed by what promises to be an exciting rematch with host Brampton Excelsiors at 8 p.m. Sunday. They wrap up the round robin portion of the tournament Tuesday facing off against Edmonton again at 5 p.m.

Where is the cycle in

Recycling?

Your aseptic packaging (Tetrapak) is recycled into tissue and cardboard.

6,250 tonnes of recycling were collected last year by the local municipalities in Dufferin County! Please contact your local municipality for more recycling information. This space is provided through a partnership between industry and Ontario municipalities to support waste diversion programs.
