TJ'S HANGER held off a late seventh inning rally to claim A division championship honours of the Orangeville Men's Slo-Pitch league. Up 27-13 heading into the bottom of seven, Bakezee's Boys bats exploded for ten runs before TJ'S defence was able to nail down the third out for the win.

Crushers sit in second

Continued from pg B1
looks forward to the challenge. His plan for this year is to "go out every game, work hard and keep positive." because after "stewing all summer about the way (last season) ended, we all really

want to redeem ourselves this year. And that road to redemption starts next weekend, Saturday October 17th at 8 p.m. in the familiar confines of the Centre Dufferin Recreation Centre.

That night, Shelburne will be hosting Ripley for their season opener before heading out for a six-game road trip that won't bring them back to Shelburne until November 21st for a game against Durham.

For complete schedules, stats and updates on the Muskies, check out the team website at www.shelburne-muskies.com

Atom Flyers battle back but fall 3-2 to Raiders

The Dairy Queen Minor Atom AE Flyers continued their regular season this past week posting a tie and a loss, setting their 2009-10 record at 1-3-1.

The season started well for the Tykes. In pre-season tournament action in Markham, Orangeville racked up 8-0, 6-0, 5-0 and 8-0 wins before coming up short to Georgetown in the finals by a score of 3-0.

The regular season saw a change of direction for the Flyers as they came up against some teams that have been together for a couple of years.

Orangeville's inexperience together showed, resulting in some disappointing results.

In their two games last week, they looked to have turned things around and played well together.

The Flyers travelled to Milton on Wednesday night and after falling behind 3-1 early, rebounded with three straight goals to take a 4-3 lead that they held until the final few seconds of the game.

Milton would score a power play goal with seven seconds left to escape with a tie.

Cameron Angot, Ryan Harrison, Tristan Williams and Jackson

Hand were the goal scorers while PJ O'Neill, with two, Harrison, Angot, Hand and Williams picked up assists.

Alan Godbout was solid in net and did a great job controlling rebounds all game.

Playing back home on Saturday night, there was some apprehension of what would transpire in the game against Georgetown, as the Raiders took it to the Flyers 10-1 in the season opener in Georgetown.

Orangeville proved that the Flyers that showed up in the Markham tournament final was closer to reality than the visitors in Georgetown.

The Raiders opened the scoring before Angot tied it up on a goal assisted by Harrison.

Georgetown jumped out to a 3-1 lead, but Williams brought Orangeville within one with a short-handed goal assisted by Kurtis Cotton.

The Flyers pick up the pace and created some good quality scoring opportunities, but were unable to tie it up and came away on the short end of 3-2 score.

Kyle Shoesmith and Godbout split the goal-tending duties and did a great job shutting down the Raider offence.

The Dairy Queen Flyers are off this week, but return to action on the weekend in the Best of The Best tournament in Georgetown.

McGuinness record to 7-0

Logan Cotton McGuinness continues to make a name for himself, racking up his seventh win in as many tries to remain unbeaten, posting a 40-35, 39-36, 39-36 decision over Jorge Banos (4-5-3) in Montreal.

The Orangeville fighter came out strong from start to finish. He went to work on his Montreal opponent, scoring to the body of Banos and then going upstairs with some solid hits in the opening round.

Trading some back and forth action in the middle rounds where Banos seemed more fluid and was able to

score some nice combinations and taking the seconds round on two of the judges' score-cards.

McGuinness regained ground in the final round, putting his mark on the win with a knockdown of his opponent with forty seconds left in the fight.

McGuinness managed to put get both hands in action, scoring a nice four punch combination, ending with a left hand that drove Banos down to the mat in the corner where he stayed for a count of seven.
