

Senior, Youth of the Year awards presented

The Town of Orangeville paid tribute to individuals and sports teams at the Parks & Recreation Department's annual Recognition Night, held Sept. 29 in the Orangeville Opera House.

Mayor Rob Adams presented the Senior of the Year Award to Shirley Perry, in recognition of her outstanding contributions to her community. Mrs. Perry has provided more than 50 years of service to the Canadian Cancer Society, raising funds and visiting patients.

A long-time resident of

the town, Mrs. Perry developed and ran a successful business with her husband, employing many people over the years at Universal Rental.

The Youth of the Year Award was presented to Tess McDonald, 17, who has already demonstrated community involvement, leadership, excellence and caring. In the last two years, Tess has organized a fundraiser for a cancer patient, volunteered at the Orangeville summer day camps, made a film to elevate public awareness about Lake Simcoe's envi-

ronmental issues, helped create a school dance team, assisted with the management of the Orangeville Minor Soccer (under 8) girls select team, and has served as president of Orangeville District Secondary School's student council and as editor of the yearbook. While doing all this she has maintained a 95 per cent average throughout her high school career.

Other Recognition Night awards went to the following 2009 team champions:

- Orangeville Under 11 Women's Northmen Field Lacrosse team for winning gold as provincial champions at the 2009 Ontario Women's U11 Lacrosse Finals;
- Orangeville Minor Northmen Novice 1 team for winning gold in the Novice 1 Provincial B Championship;
- Orangeville Minor Northmen Midget 1 team for winning gold in the Midget 1 Provincial A Championship;
- Junior A Northmen lacrosse team for winning the Minto Cup Canadian championship;

- Orangeville Novice AE Flyers team for winning the Ontario Minor Hockey Championship Novice AE Division;
- Orangeville Novice AA team for winning the Ontario Minor Hockey Championship Novice AA Division.

Individual champions recognized at the event were:

- Amber Rae, first place on vault at the Ontario Gymnastics Championships;
- Jessica Sefton, first place on uneven bars, first place all round at the Eastern Canadian Gymnastics Championships as a member of the Ontario Provincial Team.

Each year, the Town also announces a Barrier Free Community Award, which went to St. Mark's Anglican Church on First Avenue, in recognition of accessibility initiatives incorporated into the church's \$1.1-million renovation project.

The award was accepted by the rector, Rev. Peter Scott.

Final week for Chef Meets Farmer at market

This Saturday, Chef Roger from One99 Restaurant will return for his final Chef Meets Farmer event at Market on Broadway, the Orangeville farmers' market.

This interactive chef demonstration will commence at 10:30 a.m. featuring wild boar, and local farmer vendor Big Tusks will be on hand to educate visitors on raising wild

boar and benefits of this unique meat.

In addition to the delicious seasonal produce, meats and freshly baked breads and treats sold at the market, mixed market vendors offer unique crafts and goods.

As the market season comes to an end, the downtown prepares itself for a celebration of the harvest and appreciation for our

local farmers, growers and producers.

Local boy scouts will be out again this week selling locally grown apples, and omnichord musician Paul Donahue will be on site to entertain to raise money for local charities.

Market friends are welcome to enter this week's free draw or to pick up a free pedometer at the information booth and

count steps until October 24 for a chance to win a family pass for four at Orangeville's two recreation centres.

Market on Broadway farmers' market has been extended until October 24 this year in conjunction with Orangeville's Harvest Celebration and that means there are only two more Saturday morning market days left this season.

NO EXTRA CHARGE

WINTER SAFETY PACKAGE

YOU CAN'T PUT A PRICE ON SAFETY. SO WE DIDN'T.

FOR A LIMITED TIME ONLY

GET A NO EXTRA CHARGE WINTER SAFETY PACKAGE FROM YOUR ONTARIO FORD STORE WITH THE PURCHASE OR LEASE OF ALL 2009 AND 2010 FOCUS, ESCAPE, OR FUSION.

Safety package includes select brand name winter tires, winter rims, and a tire pressure monitoring system.

NO EXTRA CHARGE 4 WINTER TIRES

Winter tires allow for better traction, handling, and steering in snow and ice. This amount plus sales tax 23% winter tires (minimum 2009 Ford Focus SE).

NO EXTRA CHARGE TIRE PRESSURE MONITOR SYSTEM

This system will warn you if one of your tires is under-inflated. It helps maintain proper tire inflation, improves fuel economy, and allows tires to perform normally and safely.

NO EXTRA CHARGE 4 RIMS

Protect your investment in chrome wheels and metal wheels from rust by using our 4-rim winter package.

THIS DESIGN INCLUDES AN UNFINISHED BASEMENT

PLAN NUMBER 1-2-571
PERFECT FOR REAR-VIEW LOT

This two-bedroom home is designed to take advantage of a rear-view lot, with an above-ground basement that will provide for future expansion. The foyer is bright with natural light that floods through the glass-paneled front door, as well as the sidelights and side windows. Inside the entrance, the foyer offers an immediate view of the great room. This spacious area features a sloping ceiling, a boxed-out window with a windowsill and a natural gas fireplace that will contribute a cosy focus during the winter months. An attractive half-wall in the adjoining dining room overlooks the staircase leading down to the basement. An optional buffet will extend the dining room's storage area and ease meal service. A sliding pocket door separates the dining room from the fully-equipped kitchen, which includes a useful walk-in pantry for extra storage. The master suite, kitchen and breakfast nook all take full advantage of the rear view. A door from the nook opens on to an extensive sun deck just the place to enjoy al fresco dining during the summer. The central part of the main floor plan includes a three-piece bathroom and a laundry room, as well as linen, broom and coat closets. The second bedroom enjoys a side view and includes a closet with bi-fold doors. The double garage echoes the design of the house, with a side door and a window that will brighten this sometimes-dark area. Because the garage has access to the house through the laundry room, it can double as a mud room. The house measures 47 feet wide and 49 feet deep, totalling 1,321 square feet of living space in addition to the unfinished basement. Plans for design 1-2-571 are available for \$532 (set of 5), \$592 (set of 8) and \$640 for a super set of 10. Please add 5% G.S.T. or 13% H.S.T. (where applicable) to both the plan price and postage charges. Our NEW 41ST Edition of the Home Plan Catalogue containing over 300 plans is available for \$13.50 (includes taxes, postage and handling). Make all cheques and money orders payable to "Home Plan of the Week" and mail to:
