

CDDHS WRESTLER Thomas Bentley gives a few pointers to Cody Fenn-White and his partner last Thursday when grade 9 students at the school were given the opportunity to participate in the "Try Day" project sponsored by the Ontario Federation of School Athletic Associations (OFFSA) and the Ontario Trillium Foundation. CDDHS was one of 280 schools across the province to receive funding from the project designed to introduce a new or non-traditional sport or physical activity to their students. Photo/MIKE MALONEY

## Bears 4-2 over OLOL

•Continued from pg B1

Getting production from number of players with Ryan Mantle, Liam Williams, Taylor Ellis and Jason Francour, the Bears doubled up Our Lady of Lourdes, posting a 4-2 decision to solidify their third place position in the District 10 standings.

The Juniors Bears had been looking to redeem themselves for their last outing, dropping a 6-1 decision at the hands of JF Ross but instead were left cooling their heels for another day after their scheduled Tuesday game versus OLOL was postponed.

Over in District 4 play, Westside Senior Boys find themselves sitting third in their division with a 1-1-2

record while CDDHS is still searching for their first win of the season, sitting fifth at 0-3-2.

On the Junior side of the slate, Westside Thunder Boys look like they will be the team to beat this season. Halfway through the schedule they remain unbeaten with a 4-0 record while CDDHS is tied with Norwell for third with 11 points thanks to their 1-3-1 record.

Boys volleyball is also underway at this time. While the Senior Bears Boys were quickly dispatched 3-0 by visiting St James on Tuesday afternoon, their junior brethren kept things close on the other side of the wall going the distance but, unfortunately, ending up on the wrong side of

a 3-2 final.

District 4 play this week will hopefully soon sort things out in the Senior standings as both CDDHS and Westside sit in a four-way tie for second behind unbeaten Norwell.

CHSS could prove to be the fly in the ointment, or just what the doctor ordered, for both teams as they are slated to play both the Royals and Thunder in games Wednesday (results not available at press time) and Monday consecutively.

Those same parings could also affect the junior standings. CDDHS and Westside sit tied for first with identical records of 2-1 as they take on CHSS in their next games as well.

## Peewee AA Flyers on 3 game streak

The Hallmark Toyota Peewee AA Flyers posted three victories over a five day period to improve their record to four wins and one loss.

They thumped Milton 7-2, edged Georgetown 3-2 and then white-washed Guelph 4-0. Their lone loss of the season came against the rival Caledon Hawks.

Ben Mercy's two goals and solid two-way checking helped lead the way against Milton.

David "Wild Thing" Bath also had a strong game, chipping in with a goal while keeping the Milton players hewed in their own end on many occasions.

This was the first game after the Caledon

defeat and Coach Jamie Houghton was pleased at the way the team rebounded from that loss.

Brigg Jones, Grayson Houghton and DJ Small also scored for the Flyers.

Connor Davis was well supported by his defence corps and the back checking forwards.

Cow bells rang three times against Georgetown as the Flyers came back from an early deficit to edge the Raiders 3-2.

Max Neumann, Cole Quinlan, Colin Courtney, Riley White and Amedeo Traetto led the way for Orangeville in this game.

Neumann's wicked

slap shot from the left point early in the third gave the Hallmark team a 3-2 lead that they held onto with a combination of great goaltending, timely face-off wins and some Lady Luck.

Riley "Hound Dog" White gave the Raiders players fits as he doggedly skated them through their own end boards shift after shift.

This inspired his teammates and helped the Flyers win this game.

The defencemen must have thought Bobby Orr was in the house as they rushed at every opportunity from the beginning of the game to the end.

Goals in this game came off the sticks of David Bath, Amedeo

Traetto and Max Neumann. Assists went out to Colin Courtney, Brigg Jones, Ben Adams (2), Brad Arthurs and Grayson Houghton.

Quinlan's timely saves late in the game didn't go unnoticed by the coaching staff. "Quinlan saved the day" remarked Assistant Coach Andrew Adams right after the game.

The Flyers ended the week with a solid 4-0 victory over Guelph.

It was a good thing Grayson Houghton scored early in this one because he left the game shortly after, falling awkwardly into the boards and is doubtful for the next game.

Assistant Coach Lisa

White would only say that it was an "upper body injury".

Connor Davis posted his first shutout and third win of the season. He is riding a hot streak and a 1.33 goals against average to start this season.

Brad Arthurs and Carson Robinson led the way in this game. Arthurs helped out on three goals, one each from Houghton, Robinson and Ryan Bronson.

Robinson added an assist in addition to a nice goal.

The other goal was tallied by DJ Small.

Small patrols the right side of the rink as well as anyone in the league.

His scoring touch will help this team as the season moves past the one-quarter mark.

Other assists in the game were recorded by David Bath, Riley White, Braeden Black and Colin Courtney.

## Orangeville foils Attack 6-3

•Continued from pg B1

Crushers, this time with Ajax taking over the visitors bench.

Looking to make ground in the east, Ajax brought their A game to Orangeville and the two teams found themselves tied 3-3 at the end of two periods of play with the Crushers goals to that point off the sticks of Connolly, Arnold and Hayden Smith.

Turning up the heat in the third, both squads were pressing for that elusive go-ahead goal and it was Orangeville that was rewarded.

Spotting Philip Teri in the slot, Nicholas Vassos made a beautiful pass to Teri from behind the net, which he slid between the Ajax goalie's pads for what would prove to be the game winner with 8:49 remaining.

Marcuz caught the inside of the far post on

a two-on-one break-away goal with Vassos at 18:05, while Connolly sealed off both top and bottom of the scoresheet with an unassisted empty netter at 19:31.

Wrapping up the weekend on the road at St Michaels College Sunday afternoon, the wear and tear of three games in three nights finally took its toll.

Down 2-0 to the Buzzers, Orangeville battled back to even the score with singles from Jared Martin and Arnold at the end of the first.

But that was all the offense could muster in front of Ryan Fitzsimmons, making his first start in goal for the Crushers.

St. Michaels went ahead on a lone second period goal then sealed the win with another pair in the third to post a 5-2 decision.

The weekend ahead promises no easy games for Orangeville.

Friday night Newmarket makes their way to the Alder Street Arena once again.

Sitting just one point ahead of Orangeville in the standings, a win could edge the Crushers past Newmarket into second place depending on the outcome of a game Thursday night between the Hurricanes and division leading Burlington Cougars.
