## Vets announce new coach for 2010

The Shelburne Vets Jr "C" Lacrosse Club has announced the hiring of Mike Chesterman as the team's new head coach for the 2010 season. Chesterman who is a City of Barrie resident as well as a city of Vaughan firefighter, knows all about what it takes to put a competitive team on the floor. He played his minor lacrosse in Brampton as well as in Caledon. Chesterman's experience on the floor includes with Brampton playing one year of Junior B as

well as four years at the Junior A level followed by two years in the Major ranks for the Excelsiors. He has coached over the past six or seven years since his playing days ended, the exception of last year when he recently got married. "Mike coaches the way he played which is a no nonsense, disciplined style of lacrosse where the team comes first. Mike is a big man and the players soon know he means business when they show up at the arena, make no mistake about that." stated Vets GM Barry Trood.

The club is looking to improve on its 5-11 record of last year which slide from its 8-8 record in 2008. This year the Vets will be without the services of veterans, goalie Scott Rooney, Cory Sinclair as well as Travis Galbraith all of whom went over-age. The team which had a number of rookies in their lineup last year is looking for a marked improvement this coming year. Veteran offensive players Miles Montgomery

, Ben Syme, Josh Menzies, Jordan Monahan and Matt Volpe are expected to lead the troops this year while second year players Jesse Jamieson, Wade Mackey, Tyler Greer, David Irons, and Luke Burke should all give the Vets added scoring depth up front this year. Daniel Dittmann, Trevor McKee, Norm Craig and Dustin Early will be keys to anchoring the backend this year. The Vets are also currently in negotiations with another Jr "C" team as well as Soo Minor lacrosse to play a promotional/league game in May in Sault Ste Marie, Ontario.

## Muskies lead series

\*Continued from pg B1 to go out there and protect home ice and we did that". He was pleased with the play of a number of his players including Smith, Horan and Senay as well as that of Fairburn, who he says may just be a little guy "but he can wangle and dangle" his way around the ice and make things happen out there.

81's will be coming to play every game. "To win, we just have to stick to our game plan and just stay in the groove". While not going as far as predicting to sweep the series, he says instead of lacing the skates up for game four, it would really be nice to be able to "kick back on Sunday, put our feet up and watch the Super Bowl"

To do that, however, the Muskies will have to win both contests, first Friday in Palmerston and then again back at the CDRC at 8 p.m. Saturday night. Barring that, it's back to Palmerston Sunday at 6:30 and, if a fifth and final game is required, that would be played back in Shelburne at 8:45 Monday night.

Fairburn, for his part, deflects some of that praise back on to his linemates, in particular Horan who he says every goalie in the league knows is dangerous sitting in front of their net. Commenting on the play of Palmerston, the players all know the playoffs are just like another season and the

## Crushers

\*Continued from pg B1 guided slapshot to the top corner, just under the crossbar, to tie the game at 4-4 heading into the final 20 minutes of regulation time.

### Adopt-A-Pet

Hi my name is Marshmallow, I am about a 2 year old bunny. I'm a delightful little guy who was surrendered to the Shelter on December 2nd, 2009 because my previous owner could no longer take care of a pet. I'm affectionate and I love to be pampered and cuddled. I also love my vegetable treats. Before you consider adopting me, it's important that you learn all that's involved regarding the care of bunnies. More than anything, I want you to love me...but being a responsible pet owner requires that our study up on the animal BEFORE you make the commitment.

Tyson Fawcett picked up where his team mates left off in the second to give the Crushers a 5-4 lead just 2:38 into the third. Streetsville's Jack Woolford scoring his fourth of the night, made it 5-5 where the score remained and forced the two teams into overtime to resolve their differences. Again it was Hawke stepping up and answering the call for Orangeville. Striking down the left side alone, Hawke snapped a wrist shot from just outside the face-off circle that threaded its way past Streetsville's goaltender, 3:39 into overtime for the game winner. Orangeville plays their final home game Friday night at the Alder Street arena versus Seguin before wrapping up the regular season on Sunday afternoon in Toronto against the St Michaels Buzzers.
